AT KENTUCKY STATE FAIR BOARD FACILITIES

KENTUCKY STATE FAIR BOARD MARKETING OPPORTUNITIES

Our venues have a lot to offer. And so do we.

The Kentucky State Fair Board owns and manages two of the largest facilities in the state, the Kentucky Exposition Center and the Kentucky International Convention Center. The Kentucky Exposition Center is a 1.2 million square foot facility that features Freedom Hall and Broadbent Arena and hosts many of the nation's largest conventions and tradeshow. The Kentucky International Convention Center, a 300,000 square foot downtown center, is located just steps away from entertainment corridors, Fourth Street Live!, Museum Row and the arena district. The Fair Board produces three shows annually: the Kentucky State Fair, the National Farm Machinery Show and the North American International Livestock Exposition.

Both of the Kentucky State Fair Board-managed properties attract millions of people to Louisville each year. Because of the prime location of these facilities and the many print and digital advertising opportunities offered, your event will gain unmatched exposure.
